

# [Jennifer Jacobs](#) [sleeplessinkentwood@yahoo.com](mailto:sleeplessinkentwood@yahoo.com)

When I was eight years old, I accepted Christ as my Savior, and was so excited that I shared with my sister about Christ and she came to the Lord the same day. We love that we share our spiritual birthday and have been encouragers and accountability partners ever since.

I received my Master's of Education from the University of Toledo and taught at Emmanuel Baptist Christian School before I had my children. As much as I loved teaching, I was so thrilled to be a mom and then to teach my own girls at home. My husband, Bill, and I love that I can be home with our three girls playing, learning, exploring, training, praying and living. We have also been blessed to become a part of the PTC group and love building relationships with the wonderful families here. I am excited to begin this next year!

## [Algebra 1/2:](#)

Using Saxon Algebra 1/2 as the text book, 7th and 8th grade students will work through this transitional math program, moving from concrete concepts to abstract algebra. There is much review of early concepts, and through the year we build little by little to lead the students to a much higher level of mastery before beginning Algebra I.

### Required:

Saxon ½ text book, 2-3 inch binder, paper, pencils..

## [Elementary Medieval History:](#)

First through fourth grade students will explore all aspects of life during the Middle Ages and into the Renaissance time period. From great events and famous people to simple aspects of everyday life for common people the students will read, listen, explore, create and role-play.

We will use The Story of the World for much of our reading information and complete fun projects in class to solidify the new information. From knights and castles to the inventions of DaVinci, from daily life to great battles the students will gain a greater understanding of the events of this period and why it's important to know about it. There will be a few event days in the year including a Medieval Feast.
